Health, and Environment Advisors.

Date issued: **5 November 2016**

Date expires: **4 November 2017**

Signed: _____

On behalf of JS Safety Associates

The certificate of service for one calendar year from date of issue

We agree to:-

Provide guidance to your Company, either by meeting, telephone or in writing in the requirements placed on your Organisation under the Health and Safety at Work Etc Act 1974 and regulations formed under the Act. This will include guidance provided within Approved Codes of Practice, Industry best practice and technical guidance documentation.

Act in the capacity of Competent Person as required under Regulation 7(1) of the Management of Health and Safety at Work Regulations 1999.

Ensure the competency provided by JS Safety Associates meets with the requirements laid out under Regulation 5 of the Management of Health and Safety at Work Regulations 1999.

Provide services required in a professional and timely manner in accordance with instructions given, and ensure any report on inspection or condition is provided within the proscribed timescales.

Your Commitment to JS Safety Associates.

For your part, you agree: -

Assist JS Safety Associates in achieving their appointment and terms laid out above by complying with duties placed under Regulation 2 and 4 of the Management of Health and Safety at Work Regulations 1999, insomuch that you will:

- Ensure adequate communication at all times with regards to any matter of health, safety and welfare;
- Ensure JS Safety Associates are advised of any accident or incident which may be deemed reportable to the Health and Safety Executive (or become reportable) under the terms laid out within the RIDDOR Regulations 2013 as amended;
- Act upon guidance provided with due diligence and in a timely manner;
- Advise on any ambiguity relating to guidance provided by JS Safety Associates immediately to ensure suitable explanation can be provided;
- Ensure all parties appointed by your Organisation, including directly employed persons and any sub-contract appointment, are deemed competent and suitably trained to undertake tasks requested of them.
- Supply JS Safety Associates immediately with any documentation received from the Health and Safety executive or any other enforcing authority;
- Provide all Employees within your Organisation with details of the Company's Competent Health and Safety Advisor.
